

Planning Inquiry Questions

For this exercise, pick a tour theme and audience and craft inquiry question(s) for four different works in different styles. Refer to the planning questions on the other side of this sheet when writing your questions.

Describe the Following—Use **Rich** Description:

Form: (remember, this is what you SEE, not what you think)

Content: (be sure to relate how the form leads to content)

Developing Themes

For this exercise, walk through the galleries and note which themes pop out to you. Note which works support you themes and any inquiry questions that will help you engage your audience.
