Wood you rather...

1. Would you rather play bocce ball with Mark Bishop or play pick-up sticks with Ron David? Why?
2. Would you rather wear Mobius as a bracelet, a necklace, or a crown?
3. Would you rather give one of these works to your best friend or your worst enemy? Which one and why?
4. Which one of these would you rather take home to keep?
5. Would you rather Moulthrop’s Bowl be filled with your favorite ice cream or your favorite soup?
